NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Woidke:

On January 5, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring SIFCO Forge Group, Inc. (SIFCO) to submit a corrective action plan to bring emission unit (EU) P023 into compliance and to obtain 2009 City permits by submitting city permit fees.

CDAQ is in receipt of an administrative modification request for EU P023 dated April 1, 2010, which will need to be reviewed and is subject to approval by CDAQ permitting staff. In addition CDAQ's records show that City of Cleveland permit fees were paid July 6, 2009, and City of Cleveland permits-to-operate were originally sent July 13, 2009.

The corrective action was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for SIFCO Forge Group, Inc.: 13-18-00-1618.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
