RECEIPT OF CORRECTIVE ACTION PLAN: NOTICE OF VIOLATION

Dear Ms. Horvath:

On July 10, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Darling International, Inc. submit a corrective action plan stating what will be done to eliminate or reduce odors. CDAQ is in receipt of a corrective action plan dated July 24, 2008 stating that Darling International would review operations to identify potential sources of odors, is in process of completing a plant clean up and changing wastewater storage practices. However, a timeline for these corrective actions was not provided. Please provide a written timeline when the corrective actions will be completed within one week of receipt of this letter.

Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

CDAQ is in receipt of your corrective action penalty of \$500.00 dated July 14, 2008, for the June 5, 2008, violation of Darling International, Inc's consent decree with the City of Cleveland.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Darling International, Inc.: 1318001620.

Sincerely,

George Baker
