NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Horvath:

On July 10, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Darling International, Inc. to eliminate or reduce odors. CDAQ is in receipt of a corrective action plan dated August 20, 2008, stating that a total plant clean up was completed and changes have and are being made to your wastewater procedures.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Darling International, Inc.: 1318001620.

Sincerely,

A handwritten signature in cursive script, appearing to read "Valencia White".
