NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Nejadfard:

On October 1, 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Strategic Materials, Inc. to prevent glass from migrating off their premises. CDAQ is in receipt of a corrective action plan dated October 19, 2007. Strategic Materials, Inc. refutes the claim that the glass migrated from their property, however has submitted the following precautionary actions to be taken: glass piles would be kept moist by water spray; employee and supervisors would meet on the problem; a chart on dust collector malfunction is kept; and an emphasis on utilization of the CDAQ malfunction hotline to report incidents during operating hours. Strategic Materials' has also provided a direct cell phone number to the complainant in the event of any future glass issues.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Strategic Materials, Inc: 13-18-00-1679.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
