NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. John Sparano:

On December 18, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Woodhill Plating Company to submit Permit-to-Install/Operate (PTI/O) Applications and Emission Activity Category (EAC) Forms, for Emission Units P001 and P004 by February 15, 2009. CDAQ is in receipt of a corrective action plan dated March 23, 2009 which includes PTI/O applications and EAC forms.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Woodhill Plating Company: 13-18-00-1881.

Sincerely,

Valencia White
Field Enforcement Manager, CDAQ
