Re: Quarterly Deviations Report for the period of Jan. 1 through April 1, 2008  
Facility ID 13-18-00-1982  
Emission Unit L001 – TCE Vapor Degreaser for Hydraulic Lifts.

#### Background

Herein is the Quarterly Deviation Report for Meyer Products in accordance with our Title V Permit (Sect. A.1.c.ii) effective 8/13/98. This report identifies deviations from the federally enforceable emission limitations, operational restrictions, and control device operating parameter limitations of the permit for the above described time period and emission unit.

#### Deviation Identification

On the following dates, Meyer Products operated L001 Vapor Degreaser below the specified temperature of 188°F:

Date	Temperature deg. F
January 3	187
January 10	185
January 21	186
January 24	187
February 1	187
February 1	185
February 1	185
March 10	187
March 14	185
March 19	186

All other permit requirements for L001 were met during this time period. This departure from permit limitations were not corrected upon until April, 2008.

Sincerely,  
Meyer Products
