NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Hooper:

On September 25, 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Potters Industries, Inc. to prevent glass from migrating off their premises. CDAQ is in receipt of a corrective action plan dated October 12, 2007, stating a sprinkler system would be utilized to wet the glass piles when dry and dusty and also to look at other options with Potters Industries, Inc. engineering group.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Potters Industries, Inc: 13-18-00-2733.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
