NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Walker:

On August 23, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Tremco, Inc. to:

1. Electronically submit a corrected 2010 1<sup>st</sup> Quarter deviation report which identifies the deviation period and the corrective action taken to bring the source into compliance. (Received September 10, 2010)
2. Obtain a 2009 city permit-to-operate by submitting city permit fees. (Received September 24, 2010)

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Tremco, Inc.: 13-18-00-2813.

Sincerely,

*Linda Kimmy for G.B.*
