NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Joyce:

On 1/9/07, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring MetroHealth Medical Center to submit quarterly deviation and semi-annual excursion reports. CDAQ received the fourth quarter and second half 2006 reports on 2/1/07.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call David Wagner at 216/664-3004. All correspondence with CDAQ must include the Ohio EPA facility identification number for MetroHealth Medical Center: 13-18-00-2965.

Sincerely,

A handwritten signature in black ink that reads "George P. Baker for CDAQ".

Chief of Enforcement, CDAQ
