940 East 67th Street
Cleveland, Ohio 44103

FACILITY ID: 13-18-00-3295
NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Fleig:

On June 20, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Smith Facing and Supply to submit updated Permit-to-Install/Operate (PTIO) applications for Emission Units (EUs) F001: Unpaved Roadways and Parking Areas, and F002: Aggregate Handling and Processing Operation, and obtain 2006-2008 city permits-to-operate by submitting city permit fees.

CDAQ is in receipt of:

1. 2006-2008 city permit fees (June 30, 2011).
2. PTIO applications for EUs F001, and F002 (August 29, 2011).

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Smith Facing and Supply: 13-18-00-3295.

Sincerely,

Linda Kimmy
Field Enforcement Manager, CDAQ
