NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Dethloff:

On July 11, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Metro Health South Campus to submit Permit-to-Install/Operate (PTIO) applications or Permit-by-Rule (PBR) forms and city permit applications for two emergency electrical generators. CDAQ is in receipt of PBR notifications and city permit applications, dated July 21, 2008, for the two emergency electrical generators.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Metro Health South Campus: 13-18-00-4343.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".
