NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Wrobel:

On June 16, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Orban's Flowers to submit a corrective action plan for emissions unit N001 and submit 2006 and 2007 city fees. CDAQ is in receipt of a corrective action plan dated June 25, 2008, stating 2006, 2007 and 2008 city fees have been paid, proper operating instructions have been posted by the incinerator, employees have been instructed in the proper operation of the incinerator and a volunteer restriction has been implemented to evening burning of floor sweepings. Also, as a reminder, no plastic should be burned in the incinerator.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Orban's Flowers: 1318005428.

Sincerely,

Valencia White
Field Enforcement Manager, CDAQ
