RECEIPT OF CORRECTIVE ACTION PLAN: Operating an Emission Unit (EU) without first obtaining a Permit, and failing to pay city permit fees.

Dear Mr. Willi:

On April 3, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation (NOV) requesting that Braden Sutphin Ink Company submit a Permit to Install/Operate (PTIO) Application and an Emission Activity Category Form for the Ink Tub Washer; and submit city permit fees for all EU's for the calendar years of 2006, 2007, and 2008. CDAQ is in receipt of a corrective action plan and payment of the required city fees dated May 18, 2009. You are expected to comply with submitting PTIO applications by June 25, 2009. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Braden Sutphin Ink Company: 13-18-00-5785.

Sincerely,

Valencia White
