NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Forest:

On May 27, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring E-Z Shop to conduct Stage II testing and submit the test results, provide proof of attendance and completion of training, provide records of maintenance, and post operating instructions within thirty (30) days of receipt of the letter. CDAQ is in receipt of a corrective action plan dated June 2, 2010 at which time E-Z Shop conducted annual Stage II testing and passed, provided proof of attendance and completion of training, provided records of maintenance, and posted operating instructions.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for E-Z Shop: 13-18-00-5793.

Sincerely,

George Baker  
Chief of Enforcement, CDAQ
