NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Schaffer:

On July 28, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring American Sugar Refining, Inc. to obtain 2006, 2007, 2008 and 2009 city permits by submitting city permit fees and to apply for Permits to Install and Operate (PTIO) for a Kidder 660 Cetraflex printing press and a Comco Commander Series printing press.

CDAQ is in receipt of the 2009 city permit fees dated December 29, 2009. Also, CDAQ is in receipt of the 2006, 2007 and 2008 city permit fees dated September 9, 2009, and in receipt of the PTIO applications dated November 24, 2009. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for American Sugar Refining, Inc.: 1318005975.

Sincerely,

*Grinda Kimmy for G.B.*
