NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Joyce:

On September 22, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Mid-Continent Coal and Coke Company to submit permit applications for all air emissions sources and pay city permit fees for calendar years 2007 and 2008. CDAQ is in receipt of a corrective action plan dated December 11, 2008. Permit applications were submitted and city permit fees were paid.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Mid-Continent Coal and Coke Company: 13-18-00-6271.

Sincerely,

George P. Baker
Chief of Air Pollution Enforcement, CDAQ
