NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Kacr:

On March 12, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Service Cleaners to submit a corrective action plan recording bi-weekly visual inspections and to provide a copy of a completed bi-weekly maintenance check sheet. CDAQ is in receipt of a corrective action plan dated April 9, 2008, which contains a bi-weekly maintenance check sheet with recorded visual inspections, any repairs made, perchloroethylene usage calculations, and amount of clothes cleaned.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Service Cleaners: 1318006535.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".
