NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Kaddah:

On 12/28/10, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation (NOV) requiring Express Gas located at 7704 Detroit Ave. in Cleveland to complete necessary repairs, then conduct a re-test of the Air to Liquid Ratio (A/L) test for the premium pump on dispenser #8 and submit the test results to CDAQ within thirty days. CDAQ is in receipt of passing A/L test results for dispenser #8 dated 2/10/11.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Express Gas: 13-18-00-6716.

Sincerely,

A handwritten signature in cursive script that reads "Linda Kimmy".
