NOTICE OF VIOLATION FOLLOW-UP LETTER: FAILING ANNUAL STAGE II  
COMPLIANCE TEST

Dear Mr. Alkaden:

On November 27, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Collinwood Marathon to make necessary repairs on dispensers #7 and #12 and then re-test the Air-to-Liquid (A/L) Ratio on both dispensers. CDAQ is in receipt of a corrective action plan dated January 27, 2010 in which test results were submitted to CDAQ. A re-test was conducted on July 8, 2009 and dispensers #7 and #12 passed the A/L Ratio test.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Collinwood Marathon: 13-18-00-6862.

Sincerely,

*Linda Kimmy for G.B.*

George Baker  
Chief of Enforcement, CDAQ
