NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Mustafa:

On 5/24/11, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Hanini Marathon #2 to install a CARB certified breakaway between the whip and nozzle hose and provide documentation of the completed installation. CDAQ is in receipt of a corrective action plan dated 6/6/11 that included the receipt and installation technician's narrative detailing the service.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Hanini Marathon #2: 13-18-00-6863.

Sincerely,

A handwritten signature in cursive script that reads "Linda Kimmy".

Field Enforcement Manager, CDAQ
