NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Hamdan:

On 10/25/10, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation to Carnegie Energy for failure to pass a Static Leak (SL) test and requested additional Stage II testing (not tested due to failure of the SL test). CDAQ is in receipt of the required test results on 12/13/10.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for Carnegie Energy: 13-18-00-6884.

Sincerely,
Linda Kimmey for G.B.
George P. Baker
Chief of Enforcement, CDAQ
