NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Anderson:

On June 16, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring 10202 Lorain Cleveland LLC to complete the following requirements:

- Complete annual Stage II testing and submit test results
- Submit a copy of a Stage II compliance specialist certificate for 10202 Lorain Cleveland LLC once the required training has been completed
- Submit a corrective action plan stating how records of maintenance will be maintained in the future for a period of not less than three years and be made available to the director or any authorized representative of the director for review during normal business hours

CDAQ is in receipt of a corrective action plan dated June 30, 2010, at which time CDAQ was able to conduct an inspection. Both a Stage II compliance certificate and records of maintenance were reviewed at this time. The Air-to-Liquid Ratio test passed at this time. CDAQ is also in receipt of the test results dated July 14, 2010. The Static Leak re-test passed at this time.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for 10202 Lorain Cleveland LLC: 13-18-00-6926.

Sincerely,

*Linda Kimmy for G.B.*
