NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Anderson:

On August 2, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Receipt of Correction Action Plan requiring 3100 W. 14<sup>th</sup> Cleveland, LLC to follow through with its corrective action to provide the Stage II training certificate of the local operator of the gasoline dispensing facility (GDF). CDAQ is in receipt of the training certificate for Mayank (Mack) Patel as of August 11, 2011. Additionally, "not topping off" instructions have been placed at each dispenser as of July 29, 2011.

Appropriate steps were taken to bring this GDF into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for 3100 W. 14<sup>th</sup> Cleveland, LLC: 13-18-00-6935.

Sincerely,

Linda Kimmy
