NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Kirresh:

On September 2, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring GAS USA to provide proof of attendance of required Stage II testing by the owner or operator of your gasoline dispensing facility (GDF); to replace dispensing hoses on pumps 3, 4, and 5; to complete and submit a new permit-by-rule (PBR) notification form to document that you took ownership on January 5, 2011; and to obtain a 2011 City of Cleveland permit-to-operate by submitting City of Cleveland Air Contaminant Source fees.

CDAQ inspected GAS USA on October 24, 2011. At this time, you provided proof of attendance of required Stage II testing and completed the requested PBR notification form. It was also verified that the dispensing hoses on pumps 3, 4, and 5, had been replaced. Additionally, payment was received for 2011 City of Cleveland Air Contaminant Source fees.

Appropriate steps were taken to bring your GDF into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for GAS USA: 13-18-00-7057.

Sincerely,

A handwritten signature in cursive script that reads "Linda Kimmy".
