NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Barricelli:

On May 25, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Ontario Stone Corporation to:

1. Submit a Permit-to-Install/Operate for Emission Unit F002: Limestone, Aggregate Storage Piles (Received December 2, 2010).
2. Submit 2006-2008 city permit fees (Received June 10, 2010).

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Ontario Stone Corporation: 13-18-00-7475.
