RESOLUTION OF VIOLATIONS / NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Zayed:

On April 11, 2012, the Cleveland Division of Air Quality (CDAQ) inspected Speedy Gas located at 4351 Northfield Road in Warrensville Heights. On April 13, 2012, CDAQ issued a Notice of Violation (NOV) to Speedy Gas for failing to conspicuously post fueling instructions prohibiting the "topping off" of the motor vehicle fuel tank. Additionally, Speedy Gas was also in violation for failing to provide proof of attendance and completion of the training required for the owner or operator of your Stage II gasoline dispensing facility.

Furthermore, on May 29, 2012, a second NOV was issued for the same outstanding violations detailed above. However, on July 3, 2012, CDAQ made a site visit to Speedy Gas and verified that the applicable Stage II training certificate required for the owner or operator of a Stage II gasoline dispensing facility was completed and that appropriate operating instructions in each dispensing area prohibiting the "topping off" of the motor vehicle fuel tank were adhered.

Appropriate steps were taken to bring your gasoline dispensing facility into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. If you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for Speedy Gas: 13-18-59-8703.

Sincerely,

A handwritten signature in cursive script that reads "Valencia S. White".
