NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Sajner:

On April 28, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Pioneer Manufacturing to submit the following record keeping for Emission Unit P001: Latex paint blending tanks with covers/fabric filter. (2) 1200 gallon blending tanks with a Bowers disperser for mixing pigments, resins, water, and additives for the manufacturing of latex paint, for all of 2010:

- (1) The permittee shall keep the following information for this emission unit each day:
 - a. the name and identification for each paint product;
 - b. the total number of batches of each paint product;
 - c. the amount of materials used in each paint type produced, in pounds;
 - d. the total operating time for the batch, in hours;
 - e. the total average hourly organic compound emissions from all batches of paints produced;
 - f. the total average hourly particulate emissions from all batches of coatings produced.

As well as the following record keeping for Emission Unit P901: Latex paint manufacturing process consisting of a 3000 gallon mixing tank for blending dry pigments, water, latex resin and additives, provided with a 2,400 cfm Torit baghouse for all of 2010:

- (1) The permittee shall keep the following information for this emission unit each day:

- a. the name and identification for each coating produced;
- b. the total number of batches of each coating product;
- c. The name and amount of materials used in each coating produced, in pounds;
- d. the total operating time for the process, in hours;
- e. the total average hourly organic compound emissions from all batches of coatings produced;
- f. the total average hourly particulate emissions from all batches of coatings produced.
- g. The total average hourly ethylene glycol emissions from all batches of paints produced

CDAQ received a copy of the record keeping via certified mail on May 13, 2011. However there were clerical errors on the May 13, 2011 copy. CDAQ then received a corrected copy of the requested record keeping May 23, 2011.

The record keeping was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Pioneer Manufacturing: 13-18-00-7715.

Sincerely,

Linda Kimmy
Field Enforcement Manager, CDAQ
