NOTICE OF VIOLATION: FOLLOW-UP LETTER**

Dear Mr. Andrew V. White:

On August 29, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Alcon Industries, Inc. (Alcon) to address odor issues being emitted from Alcon's facility. CDAQ is in receipt of a corrective action plan dated December 9, 2008 that provides a plan of action and a timeline to minimize the odors associated with Alcon's manufacturing operation.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary. CDAQ cannot provide compliance resource or funding assistance requested by Alcon.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Alcon Industries, Inc.: 1318007755.

Sincerely,

George P. Baker
Chief of Enforcement, CDAQ
