NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Kanuch:

On January 13, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Enamelac Company to electronically submit the following through the E-business center. The 2008 annual Volatile Organic Compound report, Annual Solvent Emissions Report, and the Annual Exceedance report, quarterly deviation reports and to submit a sample copy of the corrected monthly recordkeeping.

CDAQ received by email on February 1, 2010, a sample copy of the corrected monthly recordkeeping. Also, CDAQ is in receipt of the 2009 Annual Emissions reports submitted through the E-business center on January 19, 2010. In addition, CDAQ received the 2008 Annual Emissions Report and the 2008 and 2009 quarterly deviation reports submitted through the E-business center on January 29, 2010.

Enclosed is a copy of the general letter that was sent on November 6, 2008, informing of the changes being made of having all the reports sent through the E-business center.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Enamelac Company: 1318007870.

Sincerely,

Linda Kimmey for G.B.
