NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Lieberman:

On July 28, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Receipt of Corrective Action Plan requiring Avon Drive-In Laundry and Dry Cleaning (Avon) to submit deviation reporting as outlined in permit-to-install (PTI) #13-04519. CDAQ is in receipt of a 2<sup>nd</sup> quarter 2008 letter, dated August 6, 2008, providing a total amount of perchloroethylene ("perc") purchased, in gallons, for the previous 12-month period. The letter also contained a written acknowledgment by you stating that testing has been performed on both machines and that no leaks have been detected.

Please be advised that your PTI requires quarterly and semi-annual deviation reporting as well as monthly equipment leak checks using a halogenated hydrocarbon detector or perc gas analyzer.

CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for Avon: 13-18-00-7917.

Sincerely,

A handwritten signature in black ink that reads "Valencia White".

Valencia White  
Field Enforcement Manager, CDAQ
