PERMITS-TO-OPERATE BY SUBMITTING CITY PERMIT FEES FOR
CALENDAR YEARS 2006, 2007 AND 2008**

Dear Mr. Murphy:

On June 11, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Greenfield Crematory obtain city permits-to-operate by submitting city permit fees for calendar years 2006, 2007 and 2008, visibly post N001's permit terms and conditions near the incinerator, and schedule a site visit to verify if the incinerator's afterburner is capable of reaching the 1600 degrees Fahrenheit minimum temperature requirement.

CDAQ is in receipt of city permit fees for 2006, 2007 and 2008 dated June 17, 2010. CDAQ (Andrew Marantides and Mary McGeary) made a site visit to Greenfield Crematory on July 21, 2010 and verified that the permit terms and conditions are posted near the incinerator, but also that the afterburner cannot reach the minimum temperature requirement of 1600 degrees Fahrenheit.

CDAQ requests that Greenfield Crematory submit a corrective action plan stating how they will either meet permit requirements specified in N001's Permit to Operate (PTO) or request a modification with an explanation as to why N001 cannot meet the permit requirements.

You are also expected to comply with submitting a copy of the recordkeeping template that will be used to maintain all records required in N001's PTO (including temperature readings, maintenance, and ash removal records) within fourteen (14) days of receipt of this letter. This recordkeeping template is what should be referenced when submitting quarterly deviation reports, starting with the 3rd quarter (July through September) of 2010 and into the future.

Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

Please submit any future correspondence related to this matter to the following enforcement representative:

Andrew Marantides
Cleveland Division of Air Quality
75 Erieview Plaza, Suite 200
Cleveland, Ohio 44114-1839

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Greenfield Crematory: 13-18-00-7924.

Sincerely,

Linda Kimmy for G.B.
