NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. McKinzie:

On March 19, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Novagard Solutions, Inc. (Novagard) to submit an Ohio EPA permit-to-install/operate application for emissions units (EUs) P002: silicone manufacturing adhesive process and, P003: silicone grease manufacturing process.

In addition, CDAQ requested Novagard obtain city permits by submitting city permit fees for calendar years 2006, 2007, and 2008 for EUs B001, B002 and P001, as well as 2006, 2007, 2008 and 2009 city permits for EUs P002 and P003.

CDAQ is in receipt of an \$825.00 check dated April 7, 2010, for 2006, 2007 and 2008 city permits for EUs B001, B002 and P001; a \$320.00 check dated May 26, 2010, for 2006 and 2008 city permits for EUs P002 and P003; a check for \$160.00 dated June 8, 2010, for 2007 city permits for EUs P002 and P003 and a check for \$160.00 dated July 20, 2010 for 2009 city permits for EUs P002 and P003.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Linda Kimmy at 216-664-2985. All correspondence with CDAQ must include the Ohio EPA facility identification number for Novagard: 13-18-00-7976.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
