NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Staresina:

On October 22, 2007, the Cleveland Division of Air Quality (CDAQ) issued a receipt of corrective action plan requiring Pro-Tec to submit a PTI application by November 21, 2007. CDAQ is in receipt of PTI applications dated November 6, 2007.

The corrective action plan was received and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valencia White at 216-664-2953. All correspondence with CDAQ must include the Ohio EPA facility identification number for Pro-Tec: 13-18-00-7979.

Sincerely,

A handwritten signature in cursive script that reads "Valencia White".
