RECEIPT OF CORRECTIVE ACTION PLAN: NOTICE OF VIOLATION EXTENSION

Dear Mr. Staresina:

On August 27, 2007, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Pro-Tec submit a Title V permit application and to choose a compliance option from the Code of Federal Regulations (CFR) Title 40 Part 63 Subpart Mmmm. CDAQ met with Jim Mueller of Poly Science on October 22, 2007. During the meeting, Mr. Mueller requested an extension to reply to the Notice of Violation and to submit permit to install (PTI) applications. You are expected to comply with submittal of a PTI application by November 21, 2007. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valencia White at 216-664-2953. All correspondence with CDAQ must include the Ohio EPA facility identification number for Pro-Tec: 13-18-00-7979.

Sincerely,

George Baker
