**Re: NOTICE OF PERMIT EXPIRATION: NO RENEWAL APPLICATION RECEIVED**

Facility ID: 1667050043  
Facility Address: 455 Orchard Street, Mantua, OH 44255  
Permit Number: P0102150  
Permit Expiration Date: 9/1/2011  
Permit Type: State Permit-To-Operate

Dear Jason Heilman,

This letter serves as a Notice of Violation to you for the violation of OAC rule 3745-31-02 for failure to submit a timely permit application for renewal of the permit identified above which expired on 9/1/2011. This failure to submit a complete and timely application has resulted in the loss of the "application shield", provided by Ohio Revised Code (ORC) section 119.06, for the air contaminant sources (emissions units) identified in the table below.

<i>EU ID</i>	<i>EU Description</i>	<i>Company Equipment ID</i>	<i>Permit Number</i>	<i>Expiration Date</i>
F001	Storage Piles	Storage Piles	P0102150	9/1/2011
F002	Paved Roadways	Paved Roadways	P0102150	9/1/2011
F003	Unpaved Roadways	Unpaved Roadways	P0102150	9/1/2011
P901	Concrete Batch Plant	Concrete Batch Plant	P0102150	9/1/2011

Continued operation of these emissions units after the expiration date of the permit, without a valid renewal permit being issued by the Director, will be a violation of OAC rule 3745-31-03. Be advised that submission of a permit renewal application will not reinstate the "application shield" provided by (ORC) section 119.06.

Please submit a complete renewal application to Ohio EPA as soon as possible, but no later than 30 days from receipt of this notice. The application may be submitted using the eBusiness Center: Air Services (<https://ebiz.epa.ohio.gov>). For assistance with Air Services you may contact Linda Lazich at [linda.lazich@epa.state.oh.us](mailto:linda.lazich@epa.state.oh.us) or (614) 644-3626.
