NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Ms. Kyung Lee:

On October 23, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Avon Sparkle Town to repair gaskets that were found to be leaking during a compliance inspection on October 7, 2008. CDAQ is in receipt of a corrective action plan dated October 24, 2008 which includes a copy of a work order, the required parts to be replaced and proof of their repair.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Avon Sparkle Town, Inc.: 13-18-00-8090.

Sincerely,

Valencia White  
Field Enforcement Manager, CDAQ
