NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Raina:

On June 28, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Kinsman Citgo (dba Rain Gas) to perform and pass a Stage II Air to Liquid test and provide test results within thirty (30) days of receipt of this letter to the following enforcement representative. CDAQ also requested Kinsman Citgo obtain city permits-to-operate by submitting city permit fees for calendar year 2010. CDAQ received city permit fees for calendar year 2010 on July 14, 2011 and CDAQ witnessed a passing Stage II Air to Liquid test on July 28, 2011. CDAQ received a copy of the test results on August 9, 2011.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Kinsman Citgo: 13-18-00-8285.

Sincerely,

A handwritten signature in black ink that reads "Linda Kimmy".

Linda Kimmy  
Field Enforcement Manager, CDAQ
