Re: Emissions Compliance

Ohio EPA Facility I.D.: #13-18-00-8350

Dear Mr. Kenney:

Pursuant to our telephone conversation this morning, I respectfully request a 30 day extension to reply to your letter of April 14, 2011 concerning Cansto Coatings' Compliance Report and complete the items enumerated therein. The extension will run from May 14, 2011 up to and including June 14, 2011.

The reasons for requesting the extension are as follows. Our General Manager, Skip Glover, has been attending to critical business needs the last few days. In addition he will be out of town attending to some business and personal obligations the next two weeks.

Also, I and other managers, who are involved in this matter, have been out of town the last couple of weeks. We have not been able to thoroughly coordinate a proper response and investigate the corrective measures necessary to satisfy your concerns.

I do not anticipate any further requests for extension.

Based on these factors, I respectfully request that you grant an additional thirty (30) days to complete the items listed in your April 14, 2011 letter.

Should you have any questions, please contact me at (216) 214-0796 or spc@cansto.com.

Sincerely,

Sam P. Cannata
Manager
