Re: Emissions Compliance

Ohio EPA Facility I.D.: #13-18-00-8350

Dear Ms. Kimmy:

Thank you for your letter of April 14, 2011 concerning Cansto Coatings' Compliance Report.

Pursuant to your request, Cansto hereby submits it's response as follows:

- Operational restrictions to cover mixing/blending tanks while containing paint materials.

Cansto will completely cover the mixing/blending tanks while containing paint materials. As of the date of this letter, procedures are put into operation and the employees have been trained to attach covers to the tanks while containing paint materials.

- 2010 reporting of allowable daily limits of organic compounds for emission units P001-P008.

As of the date of this letter, the quarterly deviation reports for each quarter in 2010 have been corrected via the eBusiness Center, Air Services reflecting the daily emissions for each unit.

- Title V permit-to-operate and PTI modification applications for emissions units P001-P008.

As of the date of this letter, Title V permit-to-operate and PTI modification applications for emissions units P001-P008 have been submitted via the eBusiness Center, Air Services.

Should you have any questions, please contact me at (216) 214-0796.

Sincerely,

Sam P. Cannata
Manager
