NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Schill:

On February 1, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Chemical Solvents, Inc. to electronically submit (via the eBusiness Center) a revised deviation report for the 4th quarter of 2011, stating the probable cause of the deviations and noting any corrective actions taken to prevent the deviations in the future for solvent loading racks J001 and J002. CDAQ is in receipt of a revised 4th quarter deviation report for 2011 dated February 20, 2012.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Chemical Solvents, Inc.: 13-18-00-7651.

Sincerely,

Valencia White
