NOTICE OF VIOLATION FOLLOW-UP LETTER

Dear Mr. Kolesar:

On December 21, 2011, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Martinizing Dry Cleaning to purchase a halogenated hydrocarbon detector, provide two weeks' worth of perceptible leak check and refrigerated condenser temperature readings, and provide a copy of all repair dates of control equipment and parts used to fix all perchloroethylene leaks. CDAQ received a corrective action plan dated January 18, 2012, which adequately corrected all the noted violations.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Martinizing Dry Cleaning: 13-18-55-8229.

Sincerely,
