**LETTER OF WARNING: Failure to note deviations on 2011 annual Permit
Evaluation Report (PER)**

Dear Mr. Kolesar:

On January 31, 2012, the Cleveland Division of Air Quality (CDAQ) received an annual Permit Evaluation Report (PER) for calendar year 2011 from Martinizing Dry Cleaning located at West 130th Street in Strongsville. This letter serves as notification that you are operating sources in violation of the following applicable air statutes, air regulations, or air permit conditions.

On the 2011 annual Permit Evaluation Report, Martinizing Dry Cleaning stated that there were no deviations or exceedances from monitoring, recordkeeping or reporting requirements. However, on a December 16, 2011 site visit and compliance inspection, CDAQ discovered numerous deviations from monitoring and recordkeeping requirements that were addressed in a Notice of Violation issued December 21, 2011. While those deviations from monitoring and recordkeeping requirements have since been corrected, they are still considered deviations and needed to be documented and addressed in the 2011 annual Permit Evaluation Report (PER).

Unless you undertake some type of corrective action with respect to the above noted violations, you will remain in non-compliance. CDAQ requests that Martinizing Dry Cleaning submit a corrected 2011 annual Permit Evaluation Report (enclosed) to the following enforcement representative:

Andrew Marantides
Cleveland Division of Air Quality
75 Erieview Plaza 2nd Floor
Cleveland, Ohio 44114-1839

Your written response to this letter must be received by CDAQ within fourteen (14) days of your receipt of this letter. If there is insufficient time to correct the alleged violations within this timeframe, your response must include a timeline for correcting the alleged violations.

Violations of Ohio air pollution laws and /or permit terms and conditions are subject to the penalties stipulated in Ohio Revised Code Section 3704.99(A), which allows fines of not more than twenty-five thousand dollars or imprisonment for not more than one year, or both, for each violation.

CDAQ issues this letter with Ohio EPA's concurrence. The failure to mention any specific violation does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification number for Martinizing Dry Cleaning: 13-18-55-8229.

Sincerely,

Valencia White
