**NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Son:

On March 30, 2012, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Best Cleaners to submit 30 days of recordkeeping for the 12-month rolling summation of perchloroethylene (PERC), date and temperature sensor monitoring or pressure gauge results, and amount of fabric dry cleaned with PERC in pounds.

CDAQ is in receipt of 30 days of recordkeeping for PERC consumption for the 12-month rolling summation of PERC, date and temperature readings, and the amount of fabric dry cleaned with PERC on April 24, 2012.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Mike Samec at 216-420-7682. All correspondence with CDAQ must include the Ohio EPA facility identification number for Best Cleaners: 1318397855.

Sincerely,

A handwritten signature in black ink that reads "Valencia White".
