NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Gargas:

On 10/7/11, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring HyComp, LLC (HyComp) to electronically submit PTIO applications through the Ohio EPA's eBusiness center for all emissions units (EUs) and processes noted. CDAQ is in receipt of a corrective action plan dated 12/8/11. The State of Ohio Environmental Protection Agency's (Ohio EPA's) Office of Compliance Assistance and Pollution Prevention (OCAPP) worked with HyComp to compile calculations establishing DeMinimis status for the majority of the EUs and the submission of an electronic Permit to Install/Operate (PTIO) application for the Drying and Imidization process.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Dave DeChant at 216-664-3213. All correspondence with CDAQ must include the Ohio EPA facility identification number for HyComp, LLC: 13-18-34-7780.

Sincerely,

  
Linda Kimmy  
Field Enforcement Manager, CDAQ
