NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Cooley:

On November 4, 2008, the Cleveland Division of Air Quality (CDAQ) issued a Receipt of Corrective Action Plan requiring Heidtman Steel Products, Inc. to submit a permit application for unpaved roadways. On November 12, 2008, CDAQ received a permit application for these emissions units.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Valerie Shaffer at (216) 664-6292. All correspondence with CDAQ must include the Ohio EPA facility identification number for Heidtman Steel Products, Inc.: 13-18-00-8401.

Sincerely,
