RECEIPT OF CORRECTIVE ACTION PLAN: AIR POLLUTION NUISANCE**

Dear Ms. Crouch:

On September 3, 2009, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Sterling Auto Body Center submit a corrective action plan stating how odors will be prevented from leaving the property. CDAQ is in receipt of a corrective action plan dated October 1, 2009.

You are expected to comply with closing the overhead door every time painting occurs and submitting the results of the third party vendor's assessment of the painting systems by October 30, 2009. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action.

Please submit any future correspondence related to this matter to the following enforcement representative:

Andrew Marantides
Cleveland Division of Air Quality
75 Ericview Plaza 2nd Floor

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Marantides at (216) 420-8049. All correspondence with CDAQ must include the Ohio EPA facility identification
