NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Abouhashem:

On March 30, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Ohio Gas #3 to submit a PTIO application within thirty (30) days of receipt of the letter. On April 19, 2010, Ohio Gas #3 requested an extension until May 15, 2010. CDAQ is in receipt of a corrective action plan dated May 11, 2010 at which time Ohio Gas #3 submitted a PTIO application.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Megan Murphy at 216-664-. All correspondence with CDAQ must include the Ohio EPA facility identification number for Ohio Gas #3: 13-18-00-8742.

Sincerely,

George Baker
Chief of Enforcement, CDAQ
