NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Ali:

On September 10, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Shields Gas to complete the following requirements: submit a PTIO application or a PBR Notification Form, submit a copy of a Stage II compliance specialist certificate for Town Food Supermarket once the required training has been completed, conduct daily inventory and reconciliation of gasoline quantities and retain the proper forms for three years, post operating instructions on each dispenser which clearly state "Do Not Top Off" of the motor vehicle fuel tank within thirty days of receipt of the letter. CDAQ is in receipt of a corrective action plan dated September 30, 2010, at which time CDAQ received a PBR Notification Form.

CDAQ then issued a Receipt of Corrective Action Plan (RCAP) letter on October 22, 2010 requiring Shields Gas to complete the remaining requirements. CDAQ received a copy of the Stage II compliance specialist training certificate on January 10, 2011. CDAQ also found that operating instructions have been posted and gasoline reconciliation are also being completed.

Appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Megan Murphy at 216-664-4258. All correspondence with CDAQ must include the Ohio EPA facility identification number for Shields Gas: 13-18-00-8751.

Sincerely,

Linda Kimmy for G.B.
