**RECEIPT OF CORRECTIVE ACTION PLAN: Failing annual Stage II testing;
Failure to provide proof of attendance and completion of training required by Ohio
EPA**

Dear Mr. Budoi:

On March 22, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requesting that Easy Trip #1124 to make the necessary repairs, conduct a re-test of the SL test, attend and complete Stage II compliance specialist training and submit all test results and certificates within thirty (30) days of receipt of the letter. CDAQ is in receipt of passing Static Leak test results dated May 18, 2010.

CDAQ inspected Easy Trip #1124 on May 3, 2010 and found that the training has yet to be completed. CDAQ observed on May 3, 2010 that the necessary repairs have been made to the regular tank spill bucket. CDAQ is also in receipt of passing test results from a re-test for the Static Leak test from May 3, 2010.

You are still expected to comply with submitting proof of attendance and completion of training by June 15, 2010. Failure to do so may result in referral to Ohio EPA or U.S. EPA for further enforcement action. Fulfillment of your commitments included in the corrective action plan and/or any modifications contained within this letter does not constitute a waiver of CDAQ's ability to refer this matter to Ohio EPA or U.S. EPA for further enforcement action. Please submit any future correspondence related to this matter to the following enforcement representative:
