NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Schroeter:

On December 14, 2010, the Cleveland Division of Air Quality (CDAQ) issued a Notice of Violation requiring Taylor Chair Company to submit required quarterly deviation reports electronically for each quarter since operations began in June 2006, through The eBusiness Center within thirty days of receipt of the Notice of Violation. CDAQ is in receipt of the quarterly deviation reports as of December 29, 2010.

The corrective action was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action. Should you have any questions, please call Andrew Kenney at 216-420-7683. All correspondence with CDAQ must include the Ohio EPA facility identification number for Taylor Chair Company: 13-18-03-8490.

Sincerely,

Linda Kimmy for G.B.
